MTDC and WLC Execute MoU to Launch Digital Economy Platform Digitizing Malaysia and its Trade Partners Creating Millions of Jobs

KUALA LUMPUR, Malaysia--(BUSINESS WIRE)--Malaysian Technology Development Corporation (MTDC) and Ireland's semi-governmental World Logistics Council Limited (WLC) signed a Memorandum of Understanding (MoU) to deploy the organisation's Digital Economy Platform, the Multi-Dimensional Digital Economy Application System (MDDEAS®).

Through this MoU, MTDC and WLC will promote the deployment of MDDEAS®, in cooperation with the world's largest technology firms, which will digitally connect businesses in Malaysia with their global trade partners and trigger enhanced efficiency and security of trade, with Malaysia serving as a benchmark for the world. MDDEAS® is built based on a catalogue of product and process innovations that leverage the latest technologies, including Artificial Intelligence (AI), Big Data Analytics, and Blockchain, among others, to de-risk commerce, reduce costs, and create greater access to finance and insurance services globally.

“Through a unique balanced governance and deployment structure, the platform offsets geopolitical, monopolistic and data privacy concerns related to trade and trade data which are of national security importance.”

Dato' Norhalim Yunus, MTDC Chief Executive Officer and Captain Samuel Salloum, WLC Chairman and Chief Executive Officer signed the MoU, which was witnessed by Tan Sri Abdul Rahman Mamat, MTDC Chairman. MTDC Chairman Tan Sri Abdul Rahman said the platform will assist Malaysia connect local businesses to foreign partners and expand into global markets. “This collaboration marks another milestone for the companies in MTDC's ecosystem as MDDEAS® can better connect our local SMEs to global markets through a seamless borderless digital marketplace and create tremendous market expansion opportunities. MTDC in its role as the strategic enabler for I4.0 for local SMEs will identify those SMEs who can benefit from the MDDEAS® tools. It is important to do all this in a new digital format.”

The MoU closely aligns with the Government's Shared Prosperity Vision 2030 (SPV 2030) which focuses on high-impact industries such as aerospace, digital economy and high-tech farming.

WLC Chairman Captain Samuel Salloum said that MDDEAS® offers “thousands” of on-demand applications that enable businesses to synchronize their logistics, insurance, financial and commerce systems with other businesses worldwide to establish a new “21st-century efficiency level”.

The WLC aims to enable MDDEAS® users to tap into the world's business-to-business (B2B) market, currently valued at USD 150 trillion, and deliver a new USD 20.5 trillion digital services marketplace, more than ten times the size of current oil and gold production combined.

Captain Salloum exclaimed, “We are pleased this initiative was pioneered by Johor Corporation, whose vision and 10 years of R&D has contributed to the Digital Economy being adopted as a key G20 Leaders' policy directive and amassing more than 150 countries, 26 IGOs/ NGOs and prominent firms to deploy the platform. With the MoU signing, MTDC will apply its technical resources and strategic alliances to commercialize the platform benefiting Malaysia, ASEAN and their trade partners worldwide.”
